Information

- Mulch will cover 100 ft² at 3 inches thick
- Dirt, Sand & Stone will cover 90 ft² at 2 inches thick
- Most small trucks (Rangers & S10's) will hold Cubic Yard (yd³) of mulch and 1/2 cubic yard of dirt sand or stone because of weight restrictions

What is a cubic yard ?

A cubic yard is volume measurement of 27 cubic feet. Our products are sold in bulk in this manner. A cubic yard is roughly the same as the back end of a small pick up truck. A full size truck can hold anywhere from 1.5 to 3 cubic yards.
